Department of Health Services Children's Medical Services Network (CMS Net) - Information Bulletin # 18

The February change cycle was successfully completed on February 9, 2002. The following items were included in the February release. Please call the CMS Net Help Desk (916) 327-2378 if you have questions.

- 1) Eligibility - Add new pop-up message after saving the Pending Eligibility screen allowing the user to identify if the client is Medi-Cal Full Scope No SOC or Healthy Families.

Filing eligibility period for patient...

Please indicate any known coverage as follows:

- ☐ Neither Medi-Cal (Full-Scope/No SOC) nor Healthy Families
- ☐ Medi-Cal (Full-Scope/No SOC)
- ☐ Healthy Families
- ☐ Both Medi-Cal (Full-Scope/No SOC) and Healthy Families

If Medi-Cal (Full-Scope/No SOC), Healthy Families, or Both is selected the Residential and Financial Worksheets will be auto populated. If Neither is selected, the eligibility screens will need to be manually populated.

- 2) Patient Registration/Statewide Client Index (SCI) Inquiry - Add the pseudo number field to the Patient Registration Face Sheet. The pseudo number will be filed from the SCI Inquiry function, not entered by the user. The pseudo number field is display only and will automatically clear when the social security number is entered on the Patient Registration Face Sheet.
- 3) Client Eligibility - Correction so that when a case is closed for the reason "Aid Code Changed", the new start date may be in the future.
- 4) Program Eligibility - Correction so a pending program eligibility period can not be entered until the current program eligibility period is updated with a program end date.
- 5) Enrollment & Assessment Fee - Enrollment/Assessment fee letters in Spanish are available.
- 6) MEDS Inquiry - Correction so the 14-digit Medi-Cal number displays on the Meds Inquiry screen, and will file to the Insurance/Other Coverage screen when 'Save to Log' is selected from the action menu.
- 7) Medical Report Request - Correction of two common program errors that occur on the Medical Report Request screen: <SUBSCRIPT> FILE+3^NEMR and <SUBSCRIPT> PNAM+13^NEMR
- 8) Zip Codes - Update Zip Code Table with December 2001 USPS zip code data.
Diagnosis Codes - Update Diagnosis Code Table with October 2001 ICD-9 code data
- 9) Help messaging on the Financial Worksheet, Residential Worksheet, Medical Report Request, Medical Report Received, and Patient Registration Face Sheet. Help messaging for other screens will be included in the March release.
- 10) New security group for the Case Management Improvement Project that will allow specific Dependent Counties to perform additional case management activities.
